Environmental Considerations

Council's revised Events in Public Spaces Policy has a strong commitment to action on climate change and a circular economy. We are currently developing a plan to assist event organisers to plan and develop more sustainable events, exploring incentives to change event practice to achieve sustainability objectives. Please advise how you plan on creating a sustainable event. Please be aware the Single-Use Plastic ban by the Victoria Government commenced in February 2023.

How you plan to manage waste at your event? *

Word count:

Include information on the sustainable event practices you plan to implement, how you will dispose of waste generated by your event and any considerations you will make to protect flora, fauna and the event site.
